

Background Check

Payroll | Auris Hire helps you make informed hiring decisions.

Employment background checks are an important part of the hiring process. With Auris Hire, you can run background checks in just a few clicks to conduct searches of:

- SSN Trace + Address History
- National Criminal Database
- Sex Offender Registry
- Terrorist Watchlist
- 7-Year County Criminals
- School Verification
- Employer Verification
- Professional License Verification
- Motor Vehicle Records

Auris Hire tells employers what they need to know about applicants, and keeps them compliant with state and federal laws regulating employment background checks, including the Fair Credit Reporting Act (FCRA).

Auris works in three simple steps

1. Initiate a background check request
2. Select a background check plan
3. Once the background check has been completed, you can view the report
